

Limekiln State Park

63025 Hwy 1 • Big Sur, CA 93920 • (831) 649-2836
www.campone.com • (805) 434-1996

The park features breathtaking views of the rugged Big Sur coast, hiking trails, beach access, rivers, waterfall, the beauty of the redwoods, and the cultural history of the limekilns. The park has 29 developed campsites, some in the trees along Limekiln Creek and some near the beach. Each site has a picnic table, a fire ring and a space for parking.

PARK FEES are due and payable upon entry into the park. The campsite fee covers one vehicle. There are additional fees for extra vehicles.

OCCUPANCY: Each campsite may have up to eight persons (including children).

VEHICLE PARKING: Vehicles may only be parked in your assigned campsite. They must remain on the pavement and must not extend into the roadway beyond the campsite number or limit line. Two vehicles maximum are allowed per campsite.

RVS/TRAILERS: The RV length limit is 24 feet, and the trailer length limit is 15 feet. RVs and trailers are not allowed in the redwood camping area. The campsites are small, so vehicle size and occupancy limits are rigorously enforced.

SPEED LIMIT: The maximum speed limit is 15 mph. When pedestrians, bicyclists and children are present, even 15 mph might be too fast. Use good judgment.

CHECK-OUT TIME is noon. Please vacate your site by that time. Check-in is 2 p.m.

RE-REGISTRATION: Campers without reservations who wish to re-register for another night must contact the entrance station before 9 a.m. on the morning they are due out. Site availability is not assured.

QUIET HOURS are from 10 p.m. to 8 a.m. To ensure an enjoyable experience for everyone, please do not disturb other campers, regardless of the time of day or night.

NOISE: Radios and other sound-producing devices must not be audible beyond your immediate

campsite, regardless of the time of day or night. Generators may only be operated between the hours of 10 a.m. and 8 p.m.

FIRES AND FIREWOOD: Fires are allowed only in established fire rings or camp stoves, and must be attended at all times. Do not gather firewood in the park—the nutrients must be allowed to recycle back into the ecosystem. You may purchase firewood from the camp hosts.

DOGS must be kept on a leash no longer than six feet and under control at all times. They must be confined to a vehicle or tent at night. Dogs are not allowed on trails.

BICYCLES are allowed only on roadways. Bicycles are not allowed on the trails.

DAY USE/HIKING: Day use hours are 8 a.m. to sunset. Visitors can access the beach; however, caution must be exercised as the surf is cold with large unpredictable waves! No lifeguard is on duty.

Three hiking trails follow Limekiln Creek's three tributaries through the redwood forest. All trails in natural areas must be traversed with caution and may require stream crossings (such as Falls Trail) and terrain difficulties! The Hare Creek Trail follows its namesake Hare Canyon to a grove of some of the largest and oldest redwood trees in Monterey County. The Kilns Trail follows the West Fork of Limekiln Creek to the four historic limekilns. Please remain on the trails, as the canyon walls are steep and unstable, and poison oak is abundant.
